

winter holiday program 5–16 july

Our Big Story will always be based on the stories Jesus told. Jesus said he came to give us life. Our school holiday program will teach and infuse life into the heart of every child. Joy is a choice and we hope they will seize the choices; that they will learn to giggle and laugh out loud, to be creative, and to regenerate.

In our program, we offer three types of experiences:

- Free play, where children can freely use the space and become reinvigorated. Children in this space are encouraged to embrace whimsy, fun and playful innocence and creativity.
- Facilitated play, where we follow the child's lead and help them to experience the joy and wonder of life.
- Structured Play, where children follows a step by step process.
